This week, the leaders of Jesus' faith community try to trick him again by asking him, "Which of the commandments is the greatest?" Jesus amazes all those listening with his response: The first and most important commandment is to love God with every part of you - body, mind and heart! And the second greatest commandment is to love your neighbor.

Jesus makes simple what the faith leaders of his time made very difficult. It was easily understood by all who heard him speak!
