

# WHY GB

Gallagher Bassett (GB) is a multi-line claims administrator handling workers' compensation, automobile liability, general liability, products/professional liability, Texas non-subscriber and property lines of coverage. We also have deep expertise and specialized capabilities in complex liability and environmental health and safety consulting and remediation.

GB offers our clients an array of risk management services to include integrated medical management services, loss control/appraisal services, self-insured qualifying and state filing services, and state-of-the-art RMIS services. With this expertise and through our focus on innovation we provide our clients with a one-stop shop for all their risk management needs.

We offer and design specialized programs to meet the individual needs of our clients with highly tailored solutions for managing claim outcomes. Our reputation for the delivery of high-quality, cost-effective, and innovative risk management service is unparalleled in the industry.

## OUR MISSION

To be the premier provider of risk and claims services throughout the world, with demonstrably superior outcomes

## OUR FOCUS

No other TPA has the track record of growth, stability and success as Gallagher Bassett. This stability and success translates into a relentless focus on delivering superior outcomes for our clients through innovation expertise, quality, and service excellence. GB invests heavily in innovation – both in tools and intellectual property.

Our investment has resulted in the deployment of industry leading analytics and decision support functionality unrivaled in the marketplace today. We have the experience, the resources and, most of all, the passionate people needed to give our clients the best in claims management. Whether being recognized as one of the best in Casualty Claim Handling by Advisen, having multiple leaders within our organization recognized as **Business Insurance Break Out award winners** in the last few years, or receiving the distinction as a World's Most Ethical Company for a tenth consecutive year, **GB leads the TPA marketplace.**

## INDUSTRY RECOGNITION
