

IOSH SAFETY FOR EXECUTIVES & DIRECTORS

Virtually delivered IOSH approved training workshops

Virtually delivered IOSH approved training workshops

Our Safety for Executives and Directors training workshop has been approved by the Institution of Occupational Safety and Health (IOSH), the world's largest and only chartered professional body for health and safety professionals. It has been developed to provide strategic level awareness of safety, health and risk management strategy, and in many organisations it has become the benchmark qualification for delivering essential health & safety knowledge to the leadership group. This course will be run on an "open course" basis and is ideal for new or recently promoted senior managers & directors etc.

Objectives

This course is designed to provide a fundamental understanding of the moral, legal and business case for proactive safety, health and risk management and its integration into holistic business management systems and procedures.

This would include:

- » Health and Safety responsibilities, accountabilities and liabilities of executives, directors and senior managers
- » Benefits of good practice and consequences of failure
- » Importance of health and safety integration
- » Management systems and competence development
- » Leading on performance and culture
- » Importance of monitoring, review and reporting on performance

Who Should Attend

Directors & Senior Leadership Team.

Location

This is a virtual training course.

Duration

1 Day

Cost

£175 + VAT per delegate

Dates

1. 10th February
2. 15th June
3. 4th October

Testimonials

"I found the course very interesting and it made me consider more the wider business; as opposed to focussing solely on the department which I am responsible for."

"The tutor was informative and gave some great real life examples that I think people can identify with."

"Well delivered by knowledgeable tutor"
