## Member Notification Regarding VAU

As a member benefit, Levo FCU Visa Credit Cards will automatically be enrolled in the Visa AccountUpdater (VAU) beginning in October, 2017.

### **What is the Visa Account Updater (VAU) service?**

VAU is an account updating service to help facilitate uninterrupted processing of your recurring payments that use your Levo FCU Visa Credit Card information. When your Levo FCU Visa Credit Card(s) expire, are lost or stolen and new cards are issued, the VAU service may update relevant card data (card numbers and expiration dates) to appropriate merchants that participate in VAU. The service provides updates to a Visa database only. The data base is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payments.

If you would like to opt-out of the VAU service, please complete a [Visa Account Updater Service Opt-Out Request Form](#) and return it to the credit union.

If you have any questions regarding the VAU service, or would like an opt-out request form mailed to you, please contact the credit union at 605.334.2471.
