President's Message

It's hard to summarize 2020 in just a few words. I don't think it is hyperbole to say that our lives have been changed forever due to the impacts of the COVID-19 pandemic. Here at Wasatch Peaks, we have continued providing critical financial services for our members while protecting them and our employees from the spread of this virus. Members have been asked to primarily use our drive through lanes and electronic services. Our employees have been asked to work remotely and to wear masks and sanitize their work areas when at work... this truly is a team effort.

The summer months are usually full of city celebrations and parades, and Wasatch Peaks has always been a part of these events. Unfortunately, most cities have cancelled their summer events and so we will miss seeing all of you along the parade routes. We have also had to cancel our community shred events and summer member appreciation party. We love seeing all of you at these events and summer just won't be the same without them.

It's hard to come up with a silver lining when it comes to the pandemic, but I have been impressed with the resiliency of our members and employees during this crisis. As I mentioned, we have stayed open and fully operational throughout the pandemic, which has required accommodations from all of us. We have continued to loan money to our members and to provide a safe place for our members to put their money during these uncertain times. We were heavily involved in the Payment Protection Plan of PPP loan program offered by the SBA. Through this program, we were able to provide local businesses with over \$23 million worth of loans to cover payroll and other expenses while their operations were restricted due to COVID-19. These loans went out to over 300 businesses and helped protect the jobs of nearly 3,000 employees. I'm incredibly proud of our employees who worked so hard to make this happen.

I hope this newsletter finds you and your families safe and healthy during these unprecedented times. If we can help in any way, please let us know, we are all in this together. Just like our jingle says, "Wasatch Peaks will be here for you!"

Wasatch Peaks Plain City Branch

We are excited for Wasatch Peaks to expand with a new branch in Plain City on the corner of 3600 West and 2600 North! This will be a wonderful opportunity for us to better serve the Plain City and surrounding communities.

On Friday, May 29th, we celebrated a milestone for our Plain City branch with a groundbreaking ceremony. Due to recommendations from the governor and state guidelines, we had to limit this event to Wasatch Peaks and local community leaders. Remarks were made by Mark Ramsey, our Chairman of the Board; Jeff Shaw, our CEO; Jon Beesley, Mayor of Plain City; and Chuck Leonhardt, President of the Ogden-Weber Chamber of Commerce. Construction on the branch began on Monday, June 1st.

We hope to continue to share these milestones with our members as we move forward with our new branch. 

Annual Meeting Update

Our 90th Annual Meeting was held at 6 p.m. on June 10th. For the safety of our members and staff, this event was held for members via livestream from our Corporate branch. We want to thank our members and volunteers for their participation in our Annual Meeting and in celebrating our 90th anniversary with us!

If you were unable to view our event live or would like to watch the meeting again, the video is available by [clicking here](#) or by visiting our YouTube channel. 🏔️

Wasatch Peaks 2020 Board of Directors

Wasatch Peaks Credit Union members elected four Directors in the Board of Directors election. There were five candidates running for four Board seats. Nanette Combe, Brad Egbert, Michael E. Enz, and Mark Ramsey were elected to three-year terms on the Board of Directors. Wasatch Peaks thanks Board candidate Bridger Musgrave for seeking an opportunity to serve on the all-volunteer Board of Directors.

Each of the eleven members of the Board is elected by members of Wasatch Peaks Credit Union and are respected members of our community. We are proud to have them represent Wasatch Peaks Credit Union.

We thank all of our volunteer officials for their service and leadership; they are instrumental to the continued success of Wasatch Peaks Credit Union. We would also like to thank all members for participating in electing their Board of Directors for Wasatch Peaks Credit Union. 🏔️
