 I've enclosed a check for \$25 per skipped loan

I understand that skipping my payment will extend my loan(s). This will not affect my payment record since the skipped payment will be added to the end of my loan(s). Interest will continue to be calculated on the outstanding balance. Payments will resume in December 2020, January 2021, or February 2021, respectively. Payment for the \$25 skip fee per loan is indicated above. I also understand that, if applicable, credit insurance coverage will expire on the original loan maturity date.
