SmartCall Alert

Multi-Alert Paging System

The SmartCall Alert pager offers the most flexible hands-free pager available. With numerous combinations of audible, visual and vibration combinations, you can customize how you communicate with your guests and staff to fit your exact needs.

The four color LCD screen gives the person wearing the pager the ability to receive color-coded visual alerts. Sounds and vibration can be programmed in multiple combinations to signal a new message and the coordinating alphanumeric text message can provide additional instructions or information. Ideal for use in busy, noisy environments where expedient and effective alerts, warnings and messaging are needed.

SmartCall Alert System includes:

> Set of Pagers
> Multi Unit Charger
> IStation Transmitter
> Mini Keyboard
