*At Forest2Market, we believe high-quality market information improves business performance, and we are dedicated to providing that quality on a consistent basis. With transactional data, industry experience and third-party independence, Forest2Market provides participants in the global wood products, paper and bioenergy/biochemical supply chains with business solutions that support fact-based decision making and planning.*

*Over the last 12 months, Forest2Market has also vertically integrated to build a group of companies that offer data-based business solutions across complementary manufacturing sectors. Fisher International offers data, analytics and business intelligence capabilities to global pulp and paper industries, and Tecnon OrbiChem offers data and analytics to the petrochemical industry focusing primarily on chemical intermediates, synthetic fibers, and resins.*

## Accounting Manager - Charlotte, NC

We are looking for a highly organized and detail-oriented Accounting Manager to own the day-to-day accounting functions, drive process improvements, and help build our operational accounting infrastructure. This position will be under the direct supervision of the CFO to create one of the first FP&A roles for the organization.

### RESPONSIBILITIES:

- Generate, prepare, and review financial reports in a timely and accurate manner
- Analyze monthly, quarterly, and annual financial results in relation to prior periods and budget providing commentary on variances
- Review financial results with department managers each period
- Prepare quarterly debt covenant and investor reporting
- Ensure records are in accordance with GAAP
- Evaluate internal procedures
- Support annual audit process
- Coordinate sales & use tax filings with Avalara
- Prepare supporting reports to tax requirements

### REQUIRED QUALIFICATIONS:

- Bachelor's degree in accounting or finance
- 3-5 years' experience in accounting & financial analysis or analytical role
- CPA preferred
- Advanced Excel skills
- Ability to think creatively, highly driven, and self-motivated (self-starter)
- Detail focused and high standards for accuracy and precision
- Advanced understanding of financial analysis, procedures, programs, and processes
- Ability to manage numerous tasks and projects simultaneously in a rapidly changing environment
- Strong communication and interpersonal skills

### COMPENSATION & BENEFITS:

- Compensation is commensurate with experience
- Benefits package provided
