

## ***CDC Launches Natural Disasters and COVID-19 Response Website***

The CDC has announced the launch of a new website, [Natural Disasters, Severe Weather, and COVID-19](https://www.cdc.gov/disasters/covid-19/disasters_severe_weather_and_covid-19.html?deliveryName=USCDC_2062-DM33192)

The site provides information for the planning and preparation for natural disasters, hurricanes, severe weather, and Public Disaster Shelters; there is also information indicating how the COVID-19 pandemic can affect safety during the preparation and recovery for those events.

The website provides information and resources for natural disasters, from earthquakes to winter weather and additional resources on a variety of issues related to COVID-19. Use the link above to access and navigate the website or at the following link
