

Schedule of Charges

DOMESTIC CUSTODY & TRADING SERVICES

Custody Charge

The Individual (Retail) Client Annual Platform Charge is detailed within your Terms and Conditions (T&Cs) which represents your Custody Agreement with Hubwise. For Corporate & Institutional Clients the Annual Platform Charge will also be detailed within the T&Cs, together with any tiering criteria relating to portfolio size.

This Platform Charge is a basis points (bps) charge applied per account type (wrapper) per year; it is applicable to all holdings and cash and is collected each month. The Platform Charge (bps) may be capped for some account types, however where it is, under the terms of your Platform Service, this cap will only apply for domestic holdings and both the cap and the Platform Charge (bps) may be increased if the number of holdings in a client portfolio materially exceeds 20, or there are individual accounts valued above £1,000,000.

The Platform Charge will not be capped for Corporate and Institutional Clients – these can include accounts representing a Trust, Court Appointed Deputy, SSAS Pension or other corporate relationship.

Interest – Hubwise has very robust rules concerning Client Money and where it can and cannot be invested. Our number one concern is that our clients' money is always protected and we will never follow high interest rates if, in our opinion, that puts the underlying deposit at unacceptable risk. Client Money deposits are placed with a range of top quality banks and with differing term periods, from overnight to three months. Consideration is also given to the £85,000 Financial Services Compensation Scheme (FSCS) deposit protection wherever possible. Net income earned on these deposits is paid to our clients in full every six months, calculated as a blended rate across the accounts being used.

Please refer to the following sections for any supplemental fees: (1) Product fees where investments are held in a Hubwise Hartley SIPP and/or Hubwise Offshore Bond; (2) For exchange-traded securities, and to cover the manual trading of any funds; (3) For exceptional processing activities.
