KBKG NAMED ONE OF THE WORLD'S LEADING TRANSFER PRICING PRACTICE BY INTERNATIONAL TAX REVIEW

KBKG's transfer pricing practice is led by Alex Martin, an economist with over 24 years of global transfer pricing experience.

KBKG, a nationwide tax specialty firm, was named one of the world's leading transfer pricing firms by International Tax Review for 2021-2022. International Tax Review surveyed over 13,000 clients and 2,700 practitioners to identify the most effective transfer pricing advisors across 84 countries. KBKG's transfer pricing practice is led by Alex Martin, an economist with over 24 years of global transfer pricing experience.

Alex Martin has been a transfer pricing economist for his entire career, working for a Big-4 firm, middle-market firm,

and through his independent transfer pricing consultancy. He was also featured in Accounting Today for instituting an innovative approach to partnering with professional service firms, including training and development of transfer pricing programs. He continues to be a sought-after transfer pricing speaker for CPA firms, attorneys, and other professional service firm networks. exchange of real estate that did not exist before TCJA. In addition, the proposed definition of real property and personal property under 1031 creates significant taxpayer compliance burdens to identify and value these components.

Alex Martin commented:

“We are so honored to be recognized for our efforts to serve companies facing an unprecedented business environment. We have great clients and CPA firm partners, and we focus on delivering value-added solutions as part of every engagement. This award is indicative of the tax expertise my KBKG colleagues deliver across all service lines.”

Greg Kniss, Managing Principal of KBKG noted:

“Transfer pricing is a complicated issue for multinational companies, and we are pleased that US and international clients see KBKG as their dedicated resource in this area.”
