

# A LEVELS

A Broad Academic Challenge

AVAILABLE  
AT OUR  
**BRIDGWATER  
CAMPUS**

BRINGING OUT YOUR BEST [www.btc.ac.uk](http://www.btc.ac.uk)

BRIDGWATER  
& TAUNTON  
COLLEGE

BTC offers an exciting A Level programme across a wide variety of subjects, including some you may not of have had the chance to study before.

Many subjects use a range of guest speakers, visits and residential to enrich your learning. In the last few years these trips have included sociology students visiting HM Prison Bristol, law students going to Parliament, students studying French going to Paris, and trips to Prague, Italy and many more.

In the first year, you receive six hours of tuition a week per subject and five hours tuition per week in the second year. You are expected to complete a significant amount of study out of the classroom, which will be a combination of homework and self-directed study. In order to complete this independent study, you have access to a dedicated study room and floor in the LRC just for A Level students.

Alongside your A Levels, you also have one hour each week with your personal tutor and tutor group. This time is set aside for you to complete group activities and have 1:1s with your personal tutor who sets and monitors your personal targets. The personal tutorial programme also includes guest speakers, progression events and the UCAS exhibition.

In addition to your A Level subjects and tutorials, enrichment forms the fourth part of your A Level programme. The A Level department offers a wide range of interesting and engaging enrichment activities to enhance and support your academic experience.

“Each subject has six hours of teaching and learning per week!”

## SUBJECTS

Art & Design  
Biology  
Business  
Chemistry  
Computer Science  
Criminology  
Dance  
Design Technology  
Drama & Theatre

Geology  
Government & Politics  
History – Early Modern  
History – Modern  
Law

Maths  
Media  
Photography  
Physical Education  
Physics  
Psychology  
Religious Studies  
Sociology  
Spanish

## A LEVEL RESULTS

A Level students celebrated their results, marking yet another year of excellent academic and personal achievement. Despite the disruption caused by Covid-19, students continued their studies online and achieved outstanding results.

Andy Berry, College Principal & CEO said, “I could not be prouder of our students and staff. With the support of our large network of tutors and support staff, students demonstrated their resilience, innovation, perseverance and positivity throughout this unprecedented time. For most students, their hard work and determination has been fairly reflected in their results.” He continued, “I was thrilled to hear about their exciting plans to pursue their passions at top universities such as Oxford, UCL, Cardiff and Exeter University.”

Head of A Levels, Vanessa Hughes said, “Our staff and students worked extremely hard to ensure that learning continued throughout the lockdown, and students were not disadvantaged by Covid-19. Prior to lockdown, students were on track to have an amazing year and this has been reflected in the results. I’m delighted that most will be able to progress onto their chosen pathway and am so proud of them. I wish them all the best.”

Many students did well, but here are just a few and what they had to say...

“I loved my time at BTC and was encouraged to push myself. I’ve worked extremely hard over the last two years and am beyond happy with the outcome - I couldn’t have asked for better grades.”

**Maddie Kennard | A\* A\* A**  
Psychology, Physical Education, Biology  
Oxford University to study *Experimental Psychology*  
Formerly from *Crispin School*

“I’ve enjoyed my time at BTC and the lecturers have been extremely supportive and helpful throughout. I’m very relieved to finally know my results and could not be happier.”

**Joshua Renton | A\* A\* A\***  
Physics, Maths, Further Maths  
Bath University to study *Computer Science*  
Formerly from *Bridgwater College Academy*

“I’m really pleased with my results and glad to know my hard work throughout my studies was reflected in my final grades.”

**Maisy Day | A\* A A**  
English Language & Literature, History, Psychology  
Bristol University to study *English and History*

Dance Drama & Theatre	Grade 5 or above in English and relevant experience is recommended. You will require a second interview.
Business Economics Photography Criminology	Five GCSEs in the 9 to 5 range, including Maths and English.
Computer Science	Five GCSEs in the 9 to 5 range, including Maths and English. You may find this subject challenging if you achieve lower than a 6 in Maths.
Physical Education	Grade 5 or above in GCSE Sport or PE. A BTEC or equivalent in Sport will be considered.
Design Technology	One essay style subject* at grade 6 or above and four GCSEs in the 9 to 5 range, including English.
Biology Chemistry Physics	Grade 6 in the science you wish to study or two 6s in double science, and grade 5 or above in English and Maths.
French Spanish	Five GCSEs in the 9 to 5 range including French and/or Spanish.
Geography Law History - Early Modern History - Modern Government & Politics Media Religious Studies Psychology Sociology	Five GCSEs in the 9 to 5 range including English.
Geology	Five GCSEs in the 9 to 5 range, including Maths and English, plus a science is recommended.
Further Maths	Grade 7 or above in Maths is essential, and four GCSEs in the 9 to 5 range including English.
Maths	Grade 7 or above in GCSE Maths and four GCEs in the 9 to 5 range including English.

\* Dance, English language, English literature, geography, history, humanities, media studies, psychology, religious studies and sociology

# COLLEGE LIFE

There's more to our A Level programme than just studying. To enrich your course, help you flourish and make the most of your time, we offer a range of activities to get involved in.

## Extended Project

One enrichment option is to take an Extended Project Qualification (EPQ), this is equivalent of half an A Level and is in addition to your three chosen A Level subjects. Students are required to choose a topic they find particularly interesting and conduct a research project culminating in an essay, piece of art, model or film installation. The project will enrich your academic portfolio and develop your initiative, as well as improving your research, organisation, reflection and evaluation skills. This enrichment is particularly recommended for those students intending to apply to university.

## A Level Academic Scholarship

If you are ambitious and predicted to achieve highly in your GCSEs, then you can apply for the A Level Academic Scholarship. This offers students specialist, additional teaching and support.

## Students' Union

The Union is run by student-elected officers who focus on the wellbeing of their peers and the overall experience of studying at College.

## Ambassador Programme

Become a role model for other students, visitors and prospective students, and enhance your CV.

## College Academies

All students are encouraged to join an academy to complement their studies and pursue their aspirations. There are several to choose from including:

- Team BTC
- Dance
- Design
- Honours
- Photography
- Animation
- Drama
- Music
- Show Choir
- Media
- 999 Academy
- Technology
- Fashion

## BTC Active

We want you to be happy and healthy in order to lead an active lifestyle. BTC Active offers all students a range of sport and activity sessions throughout the week that are planned to fit in with your timetable, so it's a great excuse to join in with friends and have fun.

## Clubs & Societies

These vary from LGBTQ+, chess, politics and debating, to e-sports, Dungeons & Dragons, music and Knit & Natter.

## Duke of Edinburgh's Award

This popular programme offers a mix of adventure, self-development and community service that looks great on your CV and will help you stand out from the crowd.

## The Learner Voice

Elected Student Representatives liaise between the College staff and fellow students to shape our corporate culture and enhance our life together.

## Fundraising & Volunteering

Join in with fun activities to raise money for charities such as Children in Need and RAG Day.

“A Levels kept my options open and I've studied what I love. It's taught me how to juggle tasks to meet deadlines and given me a huge amount of confidence.”

**RYAN SKONE**

*Photography, English Language, Maths*

# ACADEMY & SCHOLARSHIP

## Honours Academy

The Academy will help challenge and stretch you to progress to leading universities and sought-after employment by offering additional tuition and skills development.

Entry is based on your GCSE grades. A minimum of four grade 7s is required along with completion of an application form, which you can access via the Academy pages on our website.

During the weekly sessions you have the opportunity to:

- Prepare for progression to top universities and employers
- Develop leadership skills and extend your learning within and outside of your area of study
- Increase your confidence, and improve your public speaking, social and presentation skills
- Take part in master classes from visiting experts
- Take part in trips, visits and residentials such as Oxbridge summer schools

## Academic Scholarships

If you achieve at least eight GCSEs at grade 5 and above including English and maths (these subjects must be at 5 or above) with at least four at grade 8, you can apply for an Academic Scholarship. See the Scholarships pages on our website for more information.

“As part of the A Level community at BTC, you’ll have access to a dedicated study room furnished with comfortable workspaces, PCs and charging points.”
