

Better Together: BenchPrep and Skillable— What Candidates Need to Prepare for Your Certification

Take advantage of BenchPrep's award-winning LMS platform and virtual lab environments powered by Skillable to give your certification candidates a best-in-class virtual learning environment that helps them upskill on-the-job training, tackle new challenges, and excel in their careers.

This powerful partnership also enables your organization with expanded program adoption and revenue growth.

Meet Your New Interactive Learning Experience

This combined solution gives you an end-to-end learning ecosystem equipped with a powerful, interactive learner-facing application and virtual lab environment, robust data and analytics, and endless content creation options.

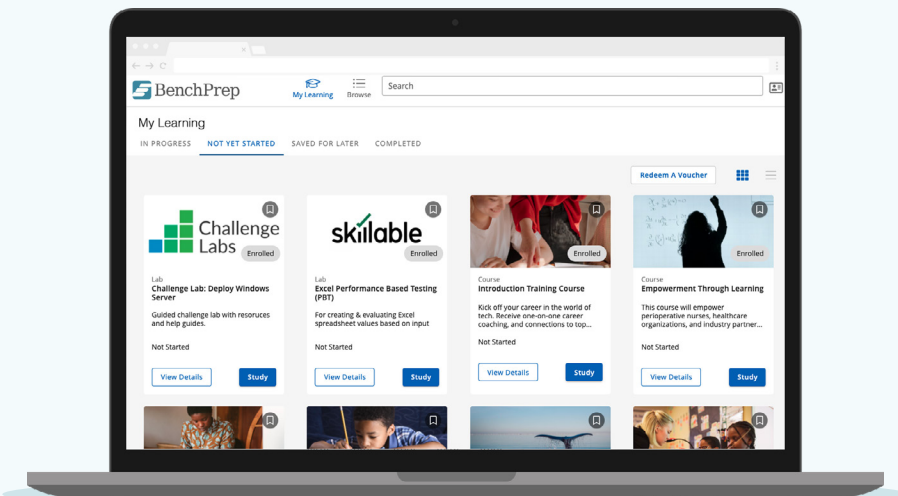

Flexible Content Creation and Delivery

You don't have to leave your hard work behind to get certification prep courses up and running with BenchPrep. Use BenchPrep's tools to upload your content and build courses your candidates can launch from anywhere.

- SCORM, xAPI, AICC, cmi5
- HTML5, XML, URL
- LTI 1.1 & 1.3 Tools
- Images, Audio (MP3), & Videos (MP4)
- PDF, ePUB, Textbooks

Impactful Learner Experience

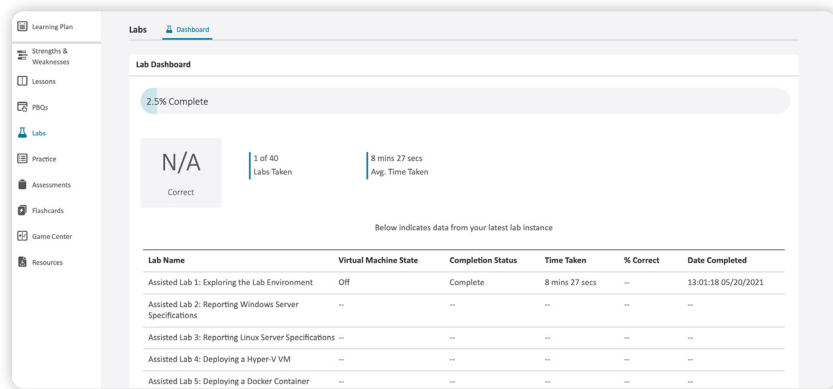

Learners can browse and enroll in free and paid courses via BenchPrep's Learning Hub, their one-stop-shop for content discovery. Learners can launch courses, unlock virtual labs, complete practice tests, and stay up-to-date on course progress.

Unlock Valuable Program Data

Access deep learner insights, content trends, and reports and dashboards specific to you and your customers via BenchPrep's Data Suite. With access to near real-time data and reporting tools, you'll be able to quickly make improvements to your content and better understand learner behaviors to better engage with your learners.

The future of learning is interactive. With BenchPrep and Skillable, you'll be able to embed hands-on experience and scored labs into a continuous cycle of skilling for your learners to help them achieve mastery in skills-based learning.

We believe that there is a place for everyone in the tech workforce, and our mission is to help people unlock their potential and strengthen their skills so they can get a great job in IT. Hands-on learning is the best route to help people develop and enhance the skills that will get them hired. BenchPrep and Skillable's innovative partnership provides our learners with an effective and engaging learning experience that readies them for a CompTIA certification exam and ultimately, for new career opportunities."
