

Testing Checklist

- Have both recordings been stopped as soon as the pupil has finished reading the last word?
- Did the pupil only read the whole of each text once?
- Were the correct instructions given before you started recording?
- Have you checked the Results Portal and checked that your recordings have good audio quality and you can clearly hear the pupil reading?
- If any interruptions occurred did you cancel the recording and redo the task?
- Did you wait 5 seconds before assisting the pupils with the text?
- Comprehension Questions - Did you remember that you only need one of the answers from the suggestions provided to mark the pupil's response as correct?
