Susan Richards is an Assurance Partner with over 15 years of experience in the public accounting and accounting industries. During her time in public accounting, Susan has served many industries including construction, not-for-profit, manufacturing, and healthcare. Susan also served as the VP of Asset Management for Heifer International Foundation for nearly two years before returning to public accounting. Her previous managerial experience has provided a valuable perspective and insight that Susan brings to her clients.

Susan specializes in both the construction and manufacturing industries, providing assurance and advisory services. Susan enjoys visiting with clients to determine the services that would be most beneficial to them.
