

Deep Tech Fund is a venture capital fund open to all accredited investors.

We believe we can do more together than as individuals. That's why we build funds giving individual investors easy access to an important asset class: venture capital. We are a private company, not affiliated with or endorsed by the school.

Smart, Simple Venture Investing

1. Smart Approach to Important Asset Class

- Portfolio of about 20-30 companies diversified across stage, sector, geography, and lead investor
- Minimum investment of \$50,000
- Smart investing strategy, co-investing with established venture firms
- Simple process, with easy onboarding, one check, single K-1

2. Tremendous Deal Flow, Rigorous Diligence

- 40+ investment professionals sourcing and sharing investments
- 550K-member network of subscribers and community members helps source, vet, and assist portfolio companies
- Alumni Ventures has raised \$600 million from investors since 2014
- Alumni Ventures is one of the most active VC firms in the U.S. and the world*

3. Investors Resources and Updates

- Online signing and investing process takes minutes
- 24/7 investor portal with all your portfolio information
- Regular portfolio updates and educational content through newsletters, articles, and more

*Most active venture investor in the U.S. and sixth most active in the world in 2020, [PitchBook's 2020 Annual Global League Tables](#).

788 Elm Street, Manchester, NH 03101

The manager of the AVG Funds is Alumni Ventures Group (AVG), a venture capital firm. AVG and the funds are not affiliated with or endorsed by any college or university. These materials are provided for informational purposes only. Offers of securities are made only to accredited investors pursuant to each fund's offering documents, which describe among other things the risks and fees associated with the Fund that should be considered before investing. The funds are long-term investments that involve a substantial risk of loss, including the loss of all capital invested. Past performance is not indicative of future results.

Opportunities to invest in any security (of a Fund, of AVG or in a syndication offering) is not a guarantee that you will be able to invest and are subject to all terms of the specific offering. Diversification cannot ensure a profit or protect against loss in a declining market. It is a strategy used to help mitigate risk.

All private placements of securities and other broker dealer activities are currently offered through a partnership with Independent Brokerage Solutions LLC MEMBER: FINRA / SIPC ("IndieBrokers"), which is located at 485 Madison Avenue

15th Floor New York, NY 10022. (212) 751-4424. AVG and its affiliates are independent and unaffiliated with IndieBrokers. Any securities transactions or related activities offered by AVG associated persons are conducted in their capacities as registered representatives of IndieBrokers. To check the background of IndieBrokers and its representatives, visit FINRA's BrokerCheck where you can also find our Form CRS. Contact info@avgfunds.com with questions or requests for additional information. Contact info@avgfunds.com with questions or requests for additional information.

Deep Tech Fund 1

Portfolio Companies

The majority of each AV fund's capital is deployed within six quarters into a portfolio of 20-30 investments. A portion of the capital is reserved to re-invest into some of these companies as they grow. The table below lists this fund's investments as of September 10, 2021.
