## Hello FROM LEGEND FLEET - 02.26.21

Welcome, and thank you for downloading our e-newsletter! In each edition, we will be showcasing certified Legend upfitters from across North America and the awesome upfit work they are doing, a product spotlight, and what we've been up to at Legend HQ. Enjoy!

### UPFITTER SPOTLIGHT #1 - EXTREME TRUCK EQUIPMENT

Extreme Truck Equipment Upfit of the Month:

#### AMPHIBIOUS MEDICS VAN

Extreme Truck Equipment is a long-standing Legend dealer located in Newport Richie, Florida. Mike and his team take pride in their work, whether it's an outdoor adventure unit or an industrial cargo van upfit.

Amphibious Medics is a nationwide emergency, occupational health and wellness services firm, specializing in large scale construction site first aid stations and infirmaries, industrial wellness clinics, and on-site drug and alcohol screening to name a few. They partner with general contractors, industrial operators, and government agencies to offer comprehensive and customized First Aid & EHS support solutions.

Legend products were used in this upfit to cover the walls and ceilings to give the van a finished look behind the other mobile office equipment, which is being installed at another location. Amphibious Medics love the durability of the liners and floor, and how well it insulates the van to keep it cooler inside on those hot Florida days!

Legend Products in upfit:

- StabiliGrip Floor
- Insulated DuraTherm Grey Wall, Ceiling, and Door Liner
- Aluminium Sills

Other Products:

- Rear A/C Unit

Location:  
**NEWPORT  
RICHIE, FL**

## UPFITTER SPOTLIGHT #2 - PHENIX ENTERPRISES

### Phenix Enterprises Upfit of the Month: **CITY OF LONG BEACH LIBRARY VAN**

Location:  
**POMONA, CA**

Phenix Enterprises is a truck body and van equipment manufacturer and distributor located in Southern California. A Legend dealer for several years now, Phenix has seen all types of industries use our product.

This time, a nearby municipality's Library Division needed a van to deliver and pick up heavy books and other learning materials.

Phenix went to town on upfitting this City of Long Beach Transit to a pristine finish. The van is now protected with durable liners and floors, and is absolutely ready to work. Like a Legend.

Legend Products in upfit:

- StabiliGrip Floor
- Insulated DuraTherm Grey Wall, Ceiling, and Door Liner
- Aluminium Sills

Other Products:

- CargoGlide Sliding Bed
- Protective Partition
- Aluminium Side E-Track

TRANSIT, PROMASTER, AND SPRINTER CREW VANS.**

**PRODUCT SPOTLIGHT - TRUCK BED MAT**

A NEW LEGEND IS BORN,  
AND ITS READY TO WORK.

# TRUCK BED AUTOMAT-BAR RUBBER MAT

**PROTECTION.  
TRACTION.  
FIT.**

Save truck beds from scratches, dents, and damage to increase resale value with this durable rubber mat. Ultra non-slip: decrease chances of trips, slips, and falls. Odour-free and resistant to chemicals, waterproof, easy to clean.

Use across any industry. Cargo will stay in place rather than shifting around as it would on smooth slippery steel surface.

Precision-cut mat fits perfectly for an extremely quick install!

**NOW AVAILABLE FOR ALL CURRENT MY FORD, RAM, AND GMC  
FULL SIZE STANDARD PICK-UPS.**

## LEGEND HQ SPOTLIGHT: ISO CERTIFICATION
