

Model Ci

The New Era of Personal Mobility Has Finally Arrived.

The WHILL Model Ci is a revolutionary approach to power mobility that uniquely boosts user confidence and evokes an active, can-do lifestyle. Its premium performance and superb engineering provide versatility and reliability to experience all-day adventures.

From socializing with friends and family to exploring the great outdoors, Model Ci empowers users to enjoy their world freely both indoors and out.

Powerful and agile, the Model Ci is exhilarating and fun to drive. Its distinctive design allows you to be you.

Pursue life's adventures with the Model Ci Personal EV.

Refuse to Accept Limitations

With its compact frame, patented front omni-wheels, and responsive controller, Model Ci has the maneuverability to effortlessly access and navigate confined spaces.

Smaller footprint than traditional power mobility devices.

Up to a 45% tighter turning radius than tiller operated mobility devices.

Patented front omni-wheels for tight turning and superb terrain coverage.

Large under seat basket to securely store your belongings and groceries.

*16" seat width = 21.5" / 18" seat width = 23.5"

Get Out and Adventure

Equipped with two powerful motors and engineered for superb stability, effortlessly go from indoor activities to navigating trails and surrounding yourself with nature.

Get There Quicker
5 MPH

All-Day Excursions
Up to **10** Mile Range*

Climb Over Obstacles
Up to **2"**

Travel Unhindered
2" Ground Clearance

Power Up Inclines

Ride Smoothly
2 Suspensions

Up to **10** Degrees

*Driving range of 10 miles will vary due to user weight, drive surface, terrain, ambient temperature, speed setting, and battery charge and condition.

Live Unpredictably

Model Ci quickly disassembles into three lightweight components for transport in any vehicle with room to spare. Assembly is just as easy to get you quickly moving again at your destination.

Load Simply

Store Neatly

*16" seat width = 31 LB, 18" seat width = 33LB
**Without battery. Battery weight = 6 LB.

Connect Intelligently

Equipped with intelligent innovations, such as the very latest in app controls and mobile data network connectivity, for greater independence and premium support.

Control remotely and manage speed settings with the iPhone and Android* app.

Lock/Unlock your device with the WHILL Smart Key or iPhone and Android app.

Charge your mobile devices with a built-in USB port.

*Android app currently does not offer remote driving capabilities.

Drive with Peace of Mind

Keep engaged in your activities and embrace your surroundings by knowing Model Ci will provide the necessary response and feedback to keep you riding safe.

Electromagnetic brakes provide safe stopping, even on inclines.

An anti-sway system keeps you driving straight on side slopes.

A built-in horn notifies others of your presence to avoid accidents.

Caution!

$>10^\circ$

Audible messages notify you of operational errors.

Arms and footrest flip up for safe easy access to the seat.

The Right Fit

Model Ci can be easily adjusted from seat height and back support angle to controller position (right or left drive) to create a comfortable driving experience.
