

KIT DROP OFF:

- **Did you collect your sample today?**
If you didn't, get a new collection kit and start over.
- **Did you activate your kit?**
If not, do it now at color.com/covid/activate. You will need the barcode that's found on your collection tube and barcode card.
- **Are you dropping off your own sample?**
If there is any chance that it got mixed up with someone else's sample, get a new collection kit and start over.
