## **COVID-19 rapid testing**

Color Health is partnering with your organization to expand access to COVID-19 testing.

Testing is one of the best ways to keep you, your family, and your community safe.

## **Important information**

1. Be sure to carefully review the test kit, including the instructions, warnings, and limitations provided by the kit manufacturer.
2. Once you complete your test and get your result, return the test to your designated test collection point so that your result can be entered.
