About Pillow-Soft®

Pillow-Soft seating by HON does both, merging whole-body support with an authoritative presence. One of HON's most popular seating solutions, Pillow-Soft features a thick, and high-resiliency seat cushion. The back is densely padded with fiber-fill, and features a lumbar-cradling recess for the lower spine. Together, the seat and back deliver optimal comfort for users up to 275 lbs.

Welcome & Reception

About Circulate™ & Corral™

A warm welcome is always in style, which is why you need lounge solutions that radiate comfort and class. Corral and Circulate seating and table arrangements offer a seamless trio of sofa, love seat, and club chair in rich SofThread leather. Plus add a coffee table and two corner tables with durable scratch, spill, and stain-resistant laminate to help make your guests feel right at home, right away.

Cubicles

Sync Up Your Space

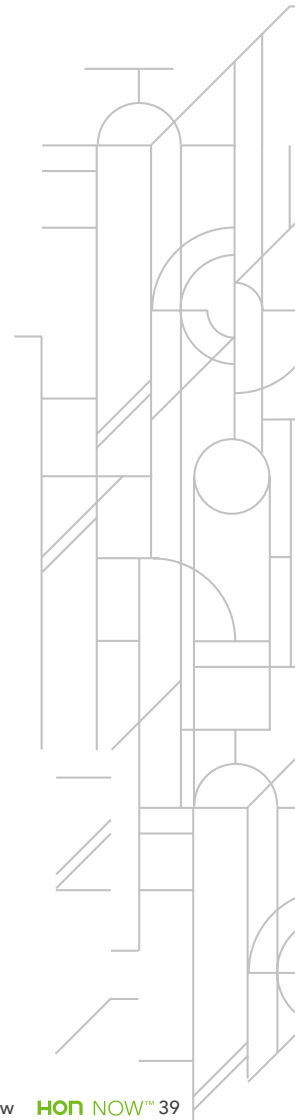

Your workstation should be more than just a desk and chair. A highly productive space needs to adapt to how your day unfolds - from that morning project review to a late afternoon meeting with an important client. Find solutions that fit your focus and drive without sacrificing support and comfort.

Accelerate

Starting at \$35,489

Determine Privacy

Choose 42 ½"H panels for areas in which people want to collaborate, 50"H panels for a bit more privacy, or go with 65"H for greater focus. Add 15" glass stackers to gain access to natural light while increasing acoustical privacy.

Education

Expanding the Potential for Learning

Students have always had different growth, development, and learning needs. We're happy to report that HON gets an A+ for adaptability and efficiency. We design products for every space, every student, and every skill set to help encourage creative and engaging environments for everyone to do and be their best.

Education

About SmartLink®

Show of hands—who loves long lectures? Today's classroom is more hands-on and collaborative, involving group interactions that better stimulate learning. That's why we've done our homework in the design of SmartLink. This collection of lightweight and mobile desks, chairs, storage and presentation tools earns high marks by being easy to arrange and rearrange, keeping active minds and bodies fully engaged.
