Convergence[®]

A SEAT THAT'S UP FOR ANY TASK.

The way that employees work is constantly changing. Workdays are fluid. People and projects are always in motion - moving from meeting rooms to desk spaces to common areas and back. Today's businesses need a 1-seat solution that can do it all. Meet Convergence - the newest task chair from HON. With a contemporary design, customizable options and budget-friendly price, Convergence is the ideal chair for any office.

FEATURES FOR THE WAY YOU WORK.

Skillfully crafted and meticulously tested by the experts at HON, every Convergence chair is held to a standard of beauty, comfort and quality - and built to last, year after year.

COMFORT AND CONVENIENCE

Intuitive, adjustable lumbar support provides lasting comfort during long workdays - and a breathable mesh back panel offers a clean, modern finish. Plus, move from workstations to conference rooms with ease using the integrated, full-width handle across the top.

ADAPTABLE ARMS

Move them up, down, in or out. With three adjustable arm options, Convergence delivers a perfect fit for everyone. *Choices include: Height-and-width-adjustable, Height-adjustable and Armless.

ERGONOMIC DESIGN

A thick, contoured seat cushion with an ergonomic waterfall edge offers "first-sit" comfort that that never quits. *Available in New Flexible Fabric as well as HON Standard Fabrics.

YOU'RE IN CONTROL

Synchro and Swivel-Tilt seat control options allow you the flexibility to focus, relax and move the way you want throughout your workday.

BUDGET-FRIENDLY, BUSINESS SAVVY.

At an honestly affordable price, Convergence is a union of modern design and business savvy. It's comfortable enough to use as a desk chair, flexible enough to showcase in conference rooms, and supportive enough to handle long hours of brainstorming. And with finishes to fit your workspace, it's the best task chair you'll ever buy.
