RuckTM
Seating

Elegant simplicity.

Comfortable curves. Timeless form.

Sleek lines and a simple silhouette designed to make you sit up and take notice. Easy on the eyes and even easier to move, stack and create distance, Ruck seating brings effortless style to working alone or together. Available in laminate or veneer finishes in both seated and stool heights, Ruck clicks with its surroundings – whether that's in a collaborative area, café setting, or as a side chair in a private office. Crafted with gentle, molded contours, Ruck makes being on the edge of your seat a more comfortable place to be.

Shown with Preside® tables, West Hill™ casual lounge seating, and Unika Vaev screens.

"The opportunity to create simple, casual and beautiful seating to enhance the functionality of today's collaborative environments is what drove Ruck's design. It's timeless design is intended to be indefinitely relevant in HON's portfolio."
