Gather Effortlessly

Pull Up A Table. Anytime, Anywhere.

For every tablet, coffee mug, or notepad, there's a need for an occasional table. Don't scramble to find an open meeting room when you can move the tables you need around a lounge space. The cross-bar design provides a mid-century aesthetic which fits perfectly with any West Hill™ or HON lounge setting to bring people together effortlessly.

Shown with West Hill™ seating.

Tim Buchenberger

Rick Joutras

In collaboration with HON, the QDesign team of Tim Buchenberger and Rick Joutras created a table line with a complementary design aesthetic that can be used with a variety of HON lounge products. "We really wanted to create a product that gives designers the ability to mix and match options" says Buchenberger. As a result, Scramble™ has a cohesive design with finish choices as well as size and scale that's perfect for any space.
