DUAL-BLEND® Modular Chemical Dispensing Program from NCL has it all!

Choose from 18 proven products for Restroom Care, General Housekeeping and other cleaning tasks, including Green Seal™ Certified products

- Super concentrate technologies along with proven Green Seal® Certified formulas develop a dispensing program that delivers exceptional cleaning power where you want it, when you want it!
- DUAL-BLEND® simplifies training of your housekeeping staff, and keeps you in compliance, especially important if pursuing green building initiatives such as LEED*.
- NCL® knows what makes dispensing systems work, and we have put our 50+ years of expertise into this program to create the most simple, cost effective and performance driven dilution system in the industry.
- Portable or Wall Mounted & Lockable.
