ONE CONCENTRATE, 2 DILUTIONS

# PEROXY HDOX

DISINFECTANT / SANITIZER / VIRUCIDE / FUNGICIDE / DEODORANT

## Peroxy HDOX is a Disinfectant!

PEROXY HDOX, when used as directed as a disinfectant is effective against:

*Norovirus*  
*Pseudomonas aeruginosa*  
*Staphylococcus aureus*  
*Salmonella enterica*  
*Streptococcus pneumoniae*  
*Escherichia coli*  
*Staphylococcus aureus*  
*MRSA*  
*Staphylococcus CA-MRSA (USA400)*  
*Feline Calicivirus*

## Fungicide

PEROXY HDOX, when used as directed as a fungicide is effective against Trichophyton Mentagrophytes.

Trichophyton Mentagrophytes can cause infection of the hair, skin, and nails and are a common cause of ringworm.

## HDOX POWER

One concentrate, two dilutions...

Peroxy HDOX Concentrate can be used on any washable surface. It is an effective cleaner on windows, glass, mirrors, stainless steel, aluminum, brass, soft metals, quarry tile, natural stone, sealed grout, vinyl, plastic, sinks, countertops, fixtures, painted surfaces, glazed porcelain, carpets and all surfaces not harmed by water.

Peroxy HDOX was formulated with your health, well-being, and future in mind.

Peroxy HDOX is recommended for used in Cruise Ships, Hospitals, Health Care Settings, Hotels & Motels, Dormitory Rooms, Temporary Housing, Households, Public Transportation, Schools, Universities, Gymsnasiums, Locker Rooms, Restrooms, Fitness Centers, Day Care Centers, Office Buildings, Casinos, Airports, Commercial, Retail, & Industrial facilities.

## MRSA, MRSA, MRSA

When used as directed, PEROXY HDOX kills METHYLLIN RESISTENT STAPHYLOCOCCUS AUREAS (MRSA) and COMMUNITY ACQUIRED METHYLLIN RESISTENT STAPHYLOCOCCUS AUREAS (CA-MRSA)
