

Bring on increased well-being and better hygiene at the office with our latest innovation, Tork PeakServe

3 in 4

**office workers
believe poor office
hygiene indicates that
the employer doesn't
care about them¹**

Restroom challenges in the office

Providing a good work environment that improves employee well-being is a challenge. Not to mention conveying the right image to visitors.

The business case for a high-quality and clean work environment

- About **22% of employees** say they often refrain from using the restrooms at work, because the toilets are unhygienic or messy.²
- Around **40% of all office workers** occasionally find paper and soap dispensers empty and restrooms that haven't been properly cleaned.³
- Over **20% reduction** in sick leave is possible, when executing the right hand hygiene program in an office.⁴

Impact of a comprehensive workplace hand hygiene program on employer health care insurance claims and costs, absenteeism, and employee perceptions and practices. *Journal of occupational and environmental medicine*, 58(6), e231.

Introducing Tork PeakServe

A new standard in high-capacity dispensing

Avoid run outs – Tork PeakServe® Continuous™ Hand Towel System is the highest-capacity hand towel system available and can be topped up at any time, which ensures that hand towels are always readily available for employees and visitors.

Cut refilling time – Cleaners have more time to focus on core activities like cleaning. The result: employees and visitors will be more satisfied about the condition of the restroom, which in turn eliminates complaints and improves employee well-being.

Smooth & continuous hand towel flow – There is always a hand towel available, that is very easy to dispense leading to a better restroom experience and improved hand hygiene for employees and visitors.

Solutions that improve your sustainability performance

Well-being

Making hygiene accessible to all users. Taking a towel is always smooth and easy with our continuous hand towel system.

Our Tork PeakServe dispensers are ADA compliant and certified Easy-to-use for cleaners and users by the Swedish Rheumatism Association.

Circularity

Tork PeakServe hand towels are FSC® certified – the only Forest Certification recognized by LEED.

This guarantees that the product is made of fibers from responsibly-managed forests and other controlled sources.

More from less

50% compressed towels enable you to store more towels on the cart, save storage space, increase the number of towels per truck, and reduce transportation environmental impact.

Eliminate waste from stub rolls and over consumption with one-at-a-time dispensing.

Introducing two new Tork PeakServe solutions.

Meet the needs of your entire facility with the same refill.
