Subject: Easing COVID restrictions on our Asset Care® portfolio

At OneAmerica® we exist to be there for our customers when they need us most. For so many, the COVID-19 pandemic has been an especially critical time of need, and we are honored to have been able to provide our policyholders with products that offer protection, security and flexibility – even in such challenging times.

As we begin to emerge from the pandemic and continue to see conditions improve, we’re pleased to lift some of the COVID restrictions implemented in 2020. These updated limits for Asset Care are effective today, July 1, 2021:

Age 70 and older	Age 69 and younger
<ul style="list-style-type: none">• All products now available, bringing Asset Care Recurring Premium Whole Life, Asset Care with Return of Premium and Asset-Care IV (CA) back for active sales to these ages• Rated cases will still not be accepted• Annuity Care: All products remain available	<ul style="list-style-type: none">• No restrictions

We’re continuing to monitor the evolving environment to assess other opportunities to ease COVID-related restrictions on our Care Solutions and traditional product portfolio and will be in touch with any additional changes.

Helping individuals, businesses and communities prepare for times of uncertainty is at the heart of what we do, and you can count on us to make the decisions necessary to ensure we’re strong and stable for the customers who depend on us.
