Thank you for your outreach to both of your Senators. It worked as Senator Klobuchar and Senator Smith have added their names to the Rounds King letter. Well done!

I will keep you posted as we work on our two-fold plan to get the maximum number of additional visas from the administration and for the inclusion of a returning worker exemption in the upcoming spending bill.

**Importance:** High

All,

Senators King (I-ME) and Rounds (R-SD) are circulating a letter requesting DHS release the full number of visas it is authorized to release (44,617) and to compel DOL to speed up its processing of H-2B visas. Click [here](#) to view the letter. Senators Klobuchar and Smith have yet to sign the letter.

The following Senators have signed:

### Democrats

Bennet (CO), Carper (DE), Coons (DE), Hickenlooper (CO), Kaine (VA), King (ME), Manchin (WV), Menendez (NJ), Shaheen (NH), Warnock (GA) and Warner (VA)

### Republicans

Collins (ME), Crapo (ID), Barrasso (WY), Graham (SC), Lummis (WY), Portman (OH), Risch (ID), Rounds (SD) and Wicker (MS)

**COB today, February 8th, is the deadline to sign the letter.** If your Senators have yet to sign the letter, please reach out. The more signatures we secure the better chance we have to obtain the maximum number of visas from the administration.

A template letter is attached. Send the email to:
