The weight of it all, lifted with ADP TotalSource®

Feel like you have to do it all? You're not alone. **Forty-three percent of small business owners say they're burdened by having to cover too many different roles.**¹ That's why there's ADP TotalSource®, the nation's largest certified professional employer organization (PEO).²

A PEO helps you manage your human resources, employee benefits, regulatory compliance and payroll through a co-employment relationship. The PEO contractually shares certain employer responsibilities with your company. Which means you and your employees benefit from more advantages than you could ever get alone, all while maintaining work site control.

With a dedicated team at the ready to support you and your business, you're freed up to make the most of every business day. You can benefit from:
