**FAMILY INTERVIEWS**

Pretend you have your own TV show and set up family interviews with these two sets of questions: One for parents to ask kids and one for kids to ask parents. You each get a turn to be the host of the show! You might be surprised by what you learn about each other!

Kids, ask your parents these questions:

1. What was your favorite cartoon growing up?

---

---

2. What was your favorite sport and why?

---

---

3. What was your favorite book when you were a kid?

---

---

4. What activity did you enjoy the most with your friends?

---

---

5. What was your favorite subject in school?

---
