

e3 Family, join us in praying for the Made to Multiply Summit

The Lord has given our leadership the vision to train one million believers to share the gospel in the next five years. Our intent is to work with other like-minded churches and ministries to reach this goal together.

Many believers will need to be trained to share the gospel—and to be willing to train others. As we pray for the Made to Multiply Summit, we'll be praying as well for those who will become the instruments through whom God can draw untold numbers to Christ.

Prayer 1—

Lord of the Harvest, thank You for sending us into the harvest fields, for helping us to train, support, and pray for those who go. We thank You that while some plant and others reap, we're all engaged in Your kingdom work. *Continue in personal prayer...*

Summit—Through this Summit, prepare us to do our part to be ready to train and serve those You will call and send into the fields through us. Motivate and excite us!

Future—Hear our prayers for more workers for the harvest. Call them and help them to hear. Help their hearts to respond to the privilege of being made to multiply.

Prayer 2—

God, our provider, clear the schedules and make available whatever funds are needed for staff to attend the Summit. Give sufficient strength, stamina, energy, and insight to make this an experience filled with kingdom value. *Continue in personal prayer...*

Summit—Thank you for Your provision for this Summit! Thank you in advance for the unity, joy, strength, and encouragement You have in store for us.

Future—Use what we will learn and experience to help expand our territory, extend our reach for Your kingdom. Lead us to those You are preparing for us to train.

Prayer 3—

Holy Shepherd, may we come humbly to the Summit keeping our eyes on You, trusting You to lead us in paths of righteousness as we serve together. Deepen our commitment to prayer, to abiding so that we may hear Your shepherd's voice. *Continue in personal prayer...*

Summit—Thank You for all who have prayed for the Summit. We praise You for the School of Renewal Intercessors who will be on site, praying *for* and *with* us.

Future—Raise up an army of intercessors, so that everyone on staff will have a prayer team praying for personal and ministry needs, for fruitfulness.

Prayer 4—

God of all comfort, as we gather, we need the comfort only You can give. COVID has changed the way we live and serve, and we are weary of it. Weary of adjusting. Weary of isolation. Weary of loss. We need comfort and enabling power! *Continue in personal prayer...*

Summit—Protect us as we gather. Keep us from being exposed to COVID and its variants before, during, and following the conference.

Future—Give us people willing to go with us to plant churches when it is possible to freely and cautiously travel. Comfort those waiting to return to the nations.

Prayer 5—

God, who is perfect in knowledge, help the speakers at the Summit to be instruments in Your hands. Give them Your mind and speak through them, so that we will hear from You. Open our hearts to receive what You say. *Continue in personal prayer...*

Summit—Inspire us to see ways to adapt what we are doing to be more fruitful for Your kingdom, no matter what our position in the ministry.

Prayer 7—

Mighty God, we pray for those You will enable us to equip and inspire to share the gospel. Help them to share in their own *oikos* groups. Give them confidence that You will give them words and open the hearts of those who will hear. *Continue in personal prayer...*

Summit—Put in our minds the churches where You are preparing leaders to provide opportunities for their people be trained. Help us to pray for them before we call.

Future—As we reach out to these churches, let Gospel Conversation training sessions be scheduled at convenient times. By Your Spirit draw people to the training.

Prayer 8—

Immanuel, God with us, fill us with the confidence that Gospel Conversation training will strengthen the witness of our church-planting trips. As people become trained and share locally, touch many hearts to go to other countries as well. *Continue in personal prayer...*

Author and Perfecter of our faith, we cry out as Your disciples did—Lord, increase our faith! Help us to believe on behalf of I Am Second that You will inspire at least 100,000 people to record and post their #mysecondstorychallenge. *Continue in personal prayer...*

Summit—Help us as staff to make a commitment to record our own I Am Second stories and post them. As we share them, lead others to take the challenge!

Future— May these challenges lead to many opportunities to share the gospel with people who might not hear in another way. May they bear fruit! Much fruit!

Prayer 10—

Head of the body, the church, we ask You to touch the hearts of pastors and leaders in the 50 cities we've identified as targets to work in. Give us access to these leaders and help them to be eager to schedule our training. *Continue in personal prayer...*

Summit—May what we learn and share at the Summit better equip us to respond to what each church needs. Make us flexible and sensitive as we seek to help them.

Prayer 11—

Bread of life, help us to be ready to join You where You are at work in the world, ready to feed the spiritually hungry. May we trust and rely on You totally to prepare and empower us, to present the gospel when the moment is right. *Continue in personal prayer...*

Summit—As You continue to bring the world to us through refugees and migrants, help us to prepare Your people to share their faith with them and lead them to Christ.

Prayer 14—

Jesus, the way, the truth, and the life, help the new believers to rejoice in You as the way into the Kingdom. May they desire to know You as the truth and study the Bible daily to know You better. Help them to celebrate their new life in You! *Continue in personal prayer...*

Summit— Enable us to disciple them into a life of full surrender to You. Give them the discipline they need to make time to spend in prayer and in the Word every day.
