

Playbook Sports Privacy Policy

[Playbook] ("**Company**") respects your privacy and is committed to protecting it through our compliance with this policy. This policy describes the types of information we may collect from you or that you may provide when you visit the Website www.callplaybook.com and or any Website or App page that is the part of an individual playbook client app hosted on Playbook Servers (our "**Website & Apps**") and our practices for collecting, using, maintaining, protecting, and disclosing that information.

This policy applies to information we collect:

- On Website & Apps.
- In email, text, and other electronic messages between you and this Website & Apps.
- Through mobile and desktop applications you download from our Website & Apps, which provide dedicated non-browser-based interaction between you and our Website & Apps.

It does not apply to information collected by:

- Company offline or through any other means, including on any other Website & Apps operated by Company or any third party (including our affiliates and subsidiaries); or
- Any third party (including our affiliates and subsidiaries), including through any application or content (including advertising) that may link to or be accessible from [or on] the Website & Apps

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Website & Apps. By accessing or using this Website & Apps, you agree to this privacy policy. This policy may change from time to time. Your continued use of this Website & Apps after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Our Website & Apps are not intended for children under 18 years of age. No one underage may create a user account. A guardian or parent is required as the user on an account that provides any personal information on the Website & Apps. We do not knowingly collect personal information from children under 18. If you are under 18, do not use or provide any information on this Website & Apps or through any of its features, register on the Website & Apps, make any purchases through the Website & Apps, use any of the interactive or public comment features of this Website & Apps, or provide any information about yourself to us, including your name, address, telephone number, email address, or any screen name or user name you may use. If we learn we have collected or received personal information from a child under [18] without verification of parental or guardian consent, we will delete that information. If you believe we might have any information from or about a child under 18, please contact us at help@callplaybook.com.

California residents under 16 years of age may have additional rights regarding the collection and sale of their personal information. Please see [Your California Privacy Rights at the bottom of this page](#).

We collect several types of information from and about users of our Website & Apps, including information:

- By which you may be personally identified, such as name, postal address, e-mail address, telephone number, date of birth, gender, and registration information ("**personal information**");
- That is about you but individually does not identify you, such as traffic information.
- About your internet connection, the equipment you use to access our Website & Apps, and usage details.

We collect this information:

- Directly from you when you provide it to us.
- Automatically as you navigate through the site. Information collected automatically may include usage details, IP addresses, and information collected through cookies, web beacons, and other tracking technologies.

The information we collect on or through our Website & Apps may include:

- Information that you provide by filling in forms on our Website & Apps. This includes information provided at the

time of registering to use our Website & Apps or registering for programs or participating in programs. We may also ask you for information throughout your user experience in our website and apps as well as when you report a problem with our Website & Apps.

- Records and copies of your correspondence (including email addresses), if you contact us.
- Your responses to surveys that we might ask you to complete for research purposes.
- Details of transactions you carry out through our Website & Apps and of the fulfillment of your orders. You may be required to provide financial information before placing an order through our Website & Apps.

You also may provide information to be published or displayed (hereinafter, “**posted**”) on public areas of the Website & Apps, or transmitted to other users of the Website & Apps or third parties (collectively, “**User Contributions**”). Your User Contributions are posted on and transmitted to others at your own risk. Although we limit access to certain pages/you may set certain privacy settings for such information by logging into your account profile, please be aware that no security measures are perfect or impenetrable. Additionally, we cannot control the actions of other users of the Website & Apps with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons.

As you navigate through and interact with our Website & Apps, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions, and patterns, including:

- Details of your visits to our Website & Apps, including traffic data, location data, logs, and other communication data and the resources that you access and use on the Website & Apps.
- Information about your computer and internet connection, including your IP address, operating system, and browser type.

The Company as well as our client also may use these technologies to collect information about users’ online activities over time and across third-party Website & Apps or other online services (behavioral tracking).

The information we collect automatically may include personal information and we may maintain it or associate it with personal information we collect in other ways or receive from third parties. It helps us to improve our Website & Apps and to deliver better and more personalized service, including by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our Website & Apps according to your individual interests.
- Speed up your searches.
- Make personalized recommendations for programs to register to.
- Recognize you when you return to our Website & Apps.

The technologies we use for this automatic data collection may include:

- **Cookies (or browser cookies).** A cookie is a small file placed on the hard drive of your computer. You may refuse to accept browser Cookies by activating the appropriate setting on your browser. However, if you select this setting you may be unable to access certain parts of our Website & Apps. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our Website & Apps.
- **Flash Cookies.** Certain features of our Website & Apps may use local stored objects (or Flash cookies) to collect and store information about your preferences and navigation to, from, and on our Website & Apps. Flash cookies are not managed by the same browser settings as are used for browser cookies.
- **Web Beacons.** Pages of our the Website & Apps (and our e-mails) may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages or opened an email and for other related Website & Apps statistics (for example, recording the popularity of certain Website & Apps content and verifying system and server integrity).

Some content or applications, including advertisements, on the Website & Apps, are served by third parties, including advertisers, ad networks and servers, content providers, and application providers. These third parties may use

cookies to collect information about you when you use our Website & Apps. The information they collect may be associated with your personal information or they may collect information, including personal information, about your online activities over time and across different Websites & Apps and other online services. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content. We do not control these third parties tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

We use information that we collect about you or that you provide to us, including any personal information:

- To present our Website & Apps and their contents to you.
- To provide you with information, products, or services that you request from us.
- To fulfill any other purpose for which you provide it.
- To provide you with notices about your account/subscription, including expiration and renewal notices.
- To carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- To notify you about changes to our Website & Apps or any products or services we offer or provide through it.
- To allow you to participate in interactive features on our Website & Apps.
- To make personalized recommendations.
- In any other way, we may describe when you provide the information.
- For any other purpose with your consent.

We may also use your information to contact you about our own and third parties' goods and services that may be of interest to you and your users. If you do not want us to use your information in this way, please email us at help@callplaybook.com

We may use the information we have collected from you to enable us to display advertisements to our advertisers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.

We may disclose aggregated information about our users and information that does not identify any individual without restriction. We may disclose personal information that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our business (and who are bound by contractual obligations) to keep personal information confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Playbooks's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by Playbook about our Website & Apps users is among the assets transferred.
- To third parties to market their products or services to you if you have not opted out of these disclosures. We contractually require these third parties to keep personal information confidential and use it only for the purposes for which we disclose it to them. For more information, see [Choices About How We Use and Disclose Your Information](#).
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal information:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce or apply our terms of use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Playbook, our customers, or others.
- We strive to provide you with choices regarding the personal information you provide to us. We have created mechanisms to provide you with the following control over your information:
- **Tracking Technologies and Advertising.** You can set your browser to refuse all or some browser cookies or to alert you when cookies are being sent. To learn how you can manage your Flash cookie settings, visit the

Flash player settings page on Adobe's [Website & Apps](#). If you disable or refuse cookies, please note that some parts of this site may then be inaccessible or not function properly.

- **Disclosure of Your Information for Third-Party Advertising.** If you do not want us to share your personal information with unaffiliated or non-agent third parties for promotional purposes, you can opt-out by emailing us at help@callplaybook.com.
- **Promotional Offers from the Company.** If you do not wish to have your email address and or contact information used by the Company to promote our own or third parties products or services, you can opt-out by emailing us at help@callplaybook.com.
- **Targeted Advertising.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target audience preferences, you can opt-out by emailing us help@callplaybook.com.

We do not control third parties' collection or use of your information to serve interest-based advertising. However, these third parties may provide you with ways to choose not to have your information collected or used in this way. You can opt-out of receiving targeted ads from members of the Network Advertising Initiative ("NAI") on the NAI's [Website & Apps](#).

California residents may have additional personal information rights and choices. Please see [Your California Privacy Rights at the bottom of this page](#)

You can review and change your personal information and email notification settings by logging into the Website & Apps and visiting your account profile page. You may also send us an email at help@callplaybook.com to request access to, correct or delete any personal information that you have provided to us. We cannot delete your personal information except by also deleting your user account. We may not accommodate a request to change information if we believe the change would violate any law or legal requirement or cause the information to be incorrect. If you delete your User Contributions from the Website & Apps, copies of your User Contributions may remain viewable in cached and archived pages or might have been copied or stored by other Website & Apps users. Proper access and use of information provided on the Website & Apps, including User Contributions, is governed by our terms of use.

California residents may have additional personal information rights and choices. Please see [Your California Privacy Rights at the bottom of this page](#)

[Your California Privacy Rights]

[If you are a California resident, California law may provide you with additional rights regarding our use of your personal information. California's "Shine the Light" law (Civil Code Section § 1798.83) permits users of our App that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an email to help@callplaybook.com or write us at Playbook 95 River St 3rd Floor Hoboken, NJ 07030

[Data Security]

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. All information you provide to us is stored on our secure servers behind firewalls. Any payment transactions and credit card information will be encrypted using SSL technology by our Partner Paysafe. We do not see or receive actual credit card information. The safety and security of your information also depend on you. Where we have given you a password for access to certain parts of our Website & Apps, you are responsible for keeping this password confidential. We ask you not to share your password with anyone. Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our Website & Apps. Any transmission of personal information is at your own risk. We are not responsible for circumvention of any privacy settings or security measures contained on the Website & Apps.

Changes to Our Privacy Policy

It is our policy to post any changes we make to our privacy policy on this page. If we make material changes to how we treat our users' personal information, we will notify you by email to the email address specified in your user account. The date the privacy policy was last revised is identified at the top of the page. You are responsible for ensuring we have an up-to-date active and deliverable email address for you, and for periodically visiting our Website & Apps and this privacy policy to check for any changes.

To ask questions or comment about this privacy policy and our privacy practices, contact us at: help@callplaybook.com 95 River St 3rd Floor Hoboken NJ 07030.
