

Tada Solutions

Supply Base Management

Manage your suppliers effectively to condense constraints and drive collaboration in every economic atmosphere

Challenges

1

Low Supplier Shipping performances

2

Lack of demand visibility to suppliers

3

Frequently changing demand signal

4

Increased shipping costs from expediting

5

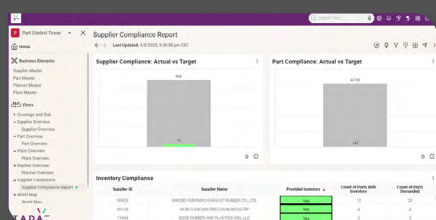

Lack of Risk planning of Critical supply base capacity

6

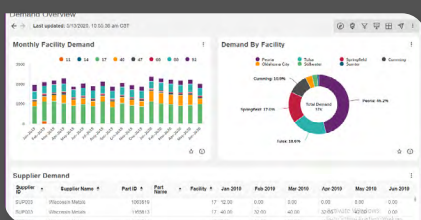

No alternate suppliers for critical components

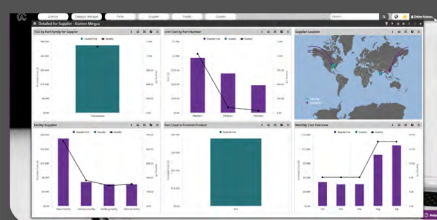

Solutions

Supplier 360

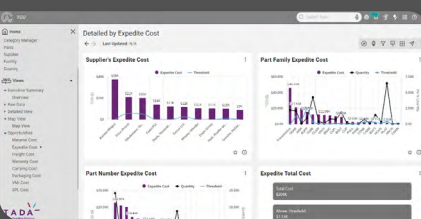

Demand 360

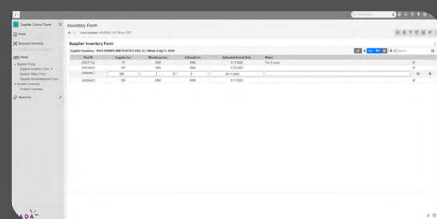

Alternative Options

Resource Name	Process	Client Load	Actual Capacity Rate	Number of Resources	Max Resources	OEE
Assembly	Manual assembly	0.5	1	1	1	0.7
CMM Machine	Inspection	1	1	1	1	0.7
MIG Welding	Welding	0.5	1	1	2	0.7
Press Production	Bending	0.5	1	1	1	0.7

Capacity form Inputs

Expedite Planning

Supplier Forms - Inv

Impact

94% Reduction in Supplier Communication Lag
