ABOUT CONNOR

Few young economists present their insights with the authority, accuracy, and humor that Connor Lokar brings to the stage. From the intimate executive retreat to the standing room-only keynote, he delivers practical economic intelligence with charm and candor.

Connor has been giving economic keynotes, workshops, and webinars across North America since he joined ITR Economics in 2014. Using his quick wit and knack for storytelling, he leverages his youthful appearance to upend expectations and successfully captivate and educate audiences. Thousands of business leaders have enjoyed his dynamic approach; Connor emphasizes the applicability of economic intelligence and calls his audience to action.

When not on stage, Connor contributes his economic expertise in the role of trusted advisor, consulting directly with management teams of firms large and small. ITR's clients meet with Connor at critical planning junctures to ensure that their strategic plans, goals, and internal initiatives are in alignment with their tailored forecasts. As ITR Economics' senior forecaster, Connor has a particularly keen understanding of how forecasts are derived. The resulting insights enable clients to make the most of their economic outlooks.

Connor specializes in construction and industrial markets but consults and presents to businesses across all industries, helping them grow revenue and remain profitable through an everchanging business cycle.

ABOUT ITR ECONOMICS

Founded in 1948, ITR Economics is the oldest privately held, continuously operating economic research and consulting firm in the United States. With a long-term accuracy rating of 94.7%, ITR Economics has forecasted major economic events such as the Great Recession of 2008 years in advance. ITR provides reliable industry and company forecasts tailored to clients' needs. ITR Economics also offers economic webinars, subscription periodicals, consultative reports, and data-collection services.

TESTIMONIALS

"He knows his stuff and presents it well. More important to me, he flexes the conversation and presentation based on who's in the group and where the conversation leads. That is a great asset that seems to flow from him naturally. I wish it were true of more speakers." - [Gil Herman, Vistage Chair, Chicago, IL](#)

"Please high five Connor for me - and let him know we look forward to future opportunities to work with him here in Colorado. As you can imagine, it was a risk to opt for the young guy, and he made me look brilliant, as well as hit the mark with our guests. Thank you!" - [Mary Medley, CEO, Colorado Society of CPAs, Denver, CO](#)

"Connor was fantastic and we were happy to have him. He was knowledgeable and personable; everybody spoke highly of his presentation!" - [Garett Graubins, Bestop](#)
