70 NHS Trusts

"[Their] holistic approach is like a titanium blanket encompassing my IT team."

CIO at NHS Trust

32 Managed Service

Healthcare Customers

Good to work with a supplier that truly wants to make a difference and is in support of what the client wants.

Head of IT at NHS Trust

Great team to work with. Some great knowledge and skills within the organisation.

Head of IT at NHS Trust

Professional, fast and reliable.

*Head of Technical Resourcing
at NHS Trust*

All the staff are willing to help in any way they can, for the right outcome for their customer.

Head of ICT Services at NHS Trust

Goes above and beyond to help us. We know they will bring to our attention products and services that they feel will benefit us now, but also in the future.

Head of ICT at Health & Social Care Trust Head

[Their] ability to deliver is unrivalled to anyone I've seen providing IT services to healthcare organisations in the UK.

CIO at NHS Trust

[Their] holistic approach is like a titanium blanket encompassing my IT team.

CIO at NHS Trust

Very knowledgeable staff and very easy to work with.

Head of IT at NHS Trust

I have a lot of respect for the technical team... I think they have the right skills and attitudes to work as an integral, mature part of our organisation.

CTO at NHS Trust

The support we have received to date has been second to none... [they] have been excellent in every single way.

Unknown at NHS Trust

Very quick, professional, friendly service, giving me full confidence in building [them] as a trusted partner.

Head of Technical Resourcing

Unknown at NHS & Social Care Trust

Original quotes referenced the CANCOM brand, prior to being acquired and becoming Telefónica Tech UK&I.
