

JOIN THE PAYDAY REVOLUTION

instant

Instant was built from, and is driven by, a collaboration with one common goal - to change the definition of payday.

We have built the most comprehensive, and only fee-free platform that bridges the gap between workday and payday. Between employer and employee. To engage, empower, and foster financial wellness for all.

Why Instant?

As the pioneer of earned wage access, Instant provides financial wellness solutions to organizations through an innovative platform that offers employees one of the most in-demand benefits available today — fee-free access to their daily earnings — helping organizations better position themselves as an employer of choice in an increasingly competitive labor market.

With Instant, you have the opportunity to be part of changing the way that people are paid. To improve employee's lives, foster financial stability, and set the new standard for the definition of payday, all without disrupting the way you do business today.

Clients of Instant Financial have seen:

27% reduction in employee turnover

30% increase in job applicants

25% reduction in employee absenteeism

instant pay

Turn every work day into payday

Instant Pay is the leading no fee earned wage access solution that gives employees immediate access to a portion of their pay after they work — helping to bridge the gap between workday and payday, and allowing employees to take control of their finances.

Instant Pay gives your employees the freedom to:

- Claim up to half of their pay after each shift.
- Make purchases anywhere Visa® is accepted.
- Access over 37,000 surcharge-free ATMs.
- Transfer wages to a bank account.
- Pay bills online.

instant tips

Go cashless with your tips, and get staff paid right after their shift

Instant Tips allows you to pay your employees their tips electronically — securely and in real-time, immediately after they're done their shift. It's the easiest, fastest and safest way to pay out tips at the end of each day.

Implementing Instant Tips:

- Doesn't require any integration - you can be live in just days
- Reduces time spent counting cash and stuffing envelopes
- Cuts the cost of maintaining daily cash floats
- Provides a clean audit trail of payments

instant miles

A secure, real-time mileage reimbursement solution

Instant Mileage simplifies the mileage reimbursement process for organizations with drivers, allowing managers to quickly and easily load payments directly to employee Instant cards immediately after their shift.

Instant Miles lets you:

- Be live in days as there's no integration required
- Reimburse your employees quickly and safely
- Have a clear audit trail of all payments and transactions.

“

“We measured our turnover pre and post Instant Pay pilot and found stores on Instant had a 6% reduction in turnover and stores not on Instant went up 8%. **THAT IS A 14% SWING IN A FEW SHORT MONTHS.**”

Aaron Humphrey

Sundance/Old West Properties, CFO

“

“When we partnered with Instant a few years ago, we were seeing more and more people use credit cards and we had less cash to pay out tips and mileage to our drivers. **INSTANT IS THE PERFECT SOLUTION TO GO CASHLESS IN OUR RESTAURANTS.**”

Brad Leonard

PJ United, CFO
