

# MINICK MATERIALS' Quarry Tour 2020!

## JOIN US!

October 7-8, 2020

**M**inick Materials' two-day event includes tours of working hackett and sandstone quarries in southeastern Oklahoma and northwestern Arkansas.

See every phase of the quarrying process—from rock in the formation to stone on the pallet—including demonstrations of sawing, chopping and even thin stone fabrication.

This **FREE** tour includes transportation by chartered bus, hotel and meals, and an evening at The Ranch to enjoy a steak dinner, skeet shooting and just relaxing.

**RECEIVE  
UP TO  
10 CEUs**
