

Expertise

We know everything there is to know about textbooks and the options that are available to you. We can answer your questions and give you advice about how to save money on books.

Save money

We work to reduce the price you pay for textbooks. We make sure we have new, used, rental and digital books, so you can find the option that best fits your budget.

Reduce stress

In a college student survey, 56% felt it was stressful to not have course materials on the first day of class. Don't increase your stress this semester by not having the learning materials you need.

Support a local business and your school

We help support programs and students on campus each year. By shopping with us, you are giving back to your community.

Do better in class

Students that have their required materials for class perform better. In fact, nearly one-third of students surveyed said that it was hard to keep up with class without course materials.

Get your materials in time for class

Because we are part of your school, we know when classes start and will do everything possible to ensure you have your textbooks in time for class.
