

## Answer Sheet

# WHO AM I?

### IDENTIFY THE PARTS

Fill in the blanks with the correct part(s) of the wheat kernel. You will use these words:

bran

endosperm

germ

- bran 1. I am the hard-outer covering of the kernel.
- germ 2. I am the smallest part of the kernel.
- endosperm 3. I am the largest part of the kernel.
- bran 4. I am made of many thin layers.
- endosperm 5. I make white flour.
- germ 6. I am where the new wheat plant begins to grow.
- bran, endosperm, germ 7. We make whole wheat flour.
- germ 8. I nourish the young plant when it starts to grow.
- bran 9. I am used in cereal flakes.
- bran 10. I am the part you touch when you hold a whole kernel of wheat.
