

Sanitary Sewer Overflow Management (SSO)

WHAT IS AN SSO?

ALTERNATIVE SOLUTION

Hard shell SSO storage tanks can be used as an alternative to solve the SSO problem

BEST SOLUTION

XR-5® Geomembrane installed at Haikey Creek Waste Water Treatment Plant, located in Tulsa, OK

WHY GEOMEMBRANE?

The large slopes at Haikey Creek are self cleaning on the exposed XR® Geomembrane.

Trust XR-5® to be stable with low thermal expansion and contraction properties.
