TOURNAMENT FORMAT

The Tournament is a “scramble” format that is fun for everyone. (Each player will tee off. The best of the tee shots is selected, and all players play their second shots from that spot. The best of the second shots is determined, then all play their third shots from that spot, and so on until the ball is holed.) Please pick up after bogeys!

We are utilizing all 27 holes to promote faster play. All players teeing off on the front 9 will play the front and back. All players teeing off on holes on the back 9 (holes 10 - 18) will play the back and the Blue course. All players teeing off on the Blue course will play the Blue and the front 9. Pease will have staff out on the course making sure everyone is playing the correct holes. Each team must use a minimum of three (3) drives from every player.

All (amateur) players are eligible for the hole-in-one contests (one maximum prize for first HIO). Players playing both the front 9 and the Blue course will only be eligible on hole # Blue 7, not on hole #9, giving everyone one chance at the \$10,000 prize, according to the contract. Each player may purchase up to two Mulligans. If used for a second shot at a contest hole, the Mulligan shot will not count toward the contest, only toward the score of the round.

All players are eligible to spin the Wheel of Fortune at the 9th or Blue 7th hole for a prize if the first shot lands on the green. One attempt only. Some players may come across both Wheels and are only eligible for the first one that you come across.

All players are eligible for the Air Cannon contest. This contest is optional and not included in your registration. Pay \$15 and use the air cannon on a par four hole. If your ball ends up closest to the pin utilizing the air cannon, you will win \$100 in pro shop credits. Also, you have a chance for an Eagle on the hole! One per person.
