# EDGAR Hours of Operation

## Daylight Savings Time (Summer Time)

The EDGAR charts provided below are accurate throughout most of the year. However, not all countries switch to and from Daylight Savings Time —called Summer Time in many countries—on the same day. This may create a disparity of one hour during the spring (March/April), when clocks are set forward one hour, and during the fall (November), when clocks are set back one hour.

## EDGAR Timelines and Requirements for Common SEC Form Types

### Domestic Forms

#### Form 10-K

For Large Accelerated filers - Due 60 days following the end of the fiscal year.

For Accelerated filers - Due 75 days following the end of the fiscal year.

For Non-Accelerated filers - Due 90 days following the end of the fiscal year.

NT 10-K

Due on the business day after the 10-K due date.

Late 10-K

After filing an NT 10-K, the deadline for the 10-K is extended 15 calendar days from the due date.

Proxy Statement or 10-K/A

Proxy due dates can differ greatly, though most are filed in the spring. If your Form 10-K incorporates by reference information into Part III from the proxy statement, you must file the proxy statement no later than 120 days after the fiscal-year end. If you cannot file the proxy statement within that 120-day period, you can file an amended 10-K to include the Part III information; however, that amended 10-K must be filed no later than 120 days after the fiscal-year end.

#### Form 10-Q

For Large Accelerated filers - Due 40 days following the end of the fiscal quarter.

For Accelerated filers - Due 40 days following the end of the fiscal quarter.

For Non-Accelerated filers - Due 45 days following the end of the fiscal quarter.

NT 10-Q

Due on the business day after the 10-Q due date.

Late 10-Q

After filing an NT 10-Q, the deadline for the 10-Q is extended five calendar days from the due date.

#### Form 11-K

Due 180 days after the end of the retirement plan year. May file in paper or EDGAR.

NT 11-K
