In connection with the purchase or refinancing of the above-referenced property, a licensed Maryland surveyor will be engaged to prepare a location drawing. A location drawing shows the property inspected and the locations of buildings or other visible improvements affecting the property. **A LOCATION DRAWING IS NOT A BOUNDARY SURVEY AND CANNOT BE RELIED UPON BY ANYONE TO SHOW WHERE THE PROPERTY'S BOUNDARIES ARE.** The only purpose of a location drawing is to provide some assurance that improvements are located on the property. This assurance is for the use of a lender or an insurer only.

If a boundary survey, which could be relied upon for various purposes (for example setting the property markers, erecting a fence, building a garage, or making other improvements on the property), is desired, a surveyor should be contacted independently. The cost of a boundary survey will be greater than the cost of a location drawing.
