<b>DACA:</b>	Complete the Data Accuracy and Completeness Acknowledgement between April 1 – May 15, 2021.

## ◀ HOSPITALS WITH MODIFIED REQUIREMENTS ▶

There are many different circumstances that would qualify a hospital to have either modified requirements or to be excluded from the IQR program altogether. We've included a link here to the 2020 IPPS Final Rule starting with the section on excluded hospitals. However, the best way to understand your requirements is to speak with a Medisolv representative who can walk you through your hospital's specific needs.
