- 03 Medusa**
Mid-range cable managed leg system
P. 5-7

PROMETHEUS BENCH

The Prometheus range is a versatile, affordable, contemporary and functional desking solution with comprehensive desk top shapes and size options, combined with a large choice of finishes. It has height levelling feet for uneven floors and offers efficient cable management solutions. The desks can be configured to look and feel like bench desking with the added flexibility of being stand alone.

FEATURES

- Flexible design: Configure desks back-to-back for a bench look or split desks into singles and arrange as desired
- Simple and clean design creates functional and uncluttered workstations
- Complete with two cable ports for easy cable management
- Two cable ports in the modesty panel to aid easy cable management
- Accessories and further cable management available
- Matching pedestals and meeting tables available
- Modern hoop leg design
- 5 year warranty
