

CERTIFICATE OF ANALYSIS

PRODUCT : Reusable Pallet Wrap
BRAND : CargoWrap
DATE : 15/01/2020
COA NO : OI/2019-20/251

MANUFACTURER : Cargowise Solutions Limited
GSTIN : 24AAFFO9251J1Z1
HS CODE : 39239090

1	Fabric	100% Nylon
2	Tensile Strength	6776 N
3	Tear Strength	147.7 N
4	Material Thickness	0.38-0.40 MM(ASTM D 1777)
5	Apparent Opening Size	224 Microns (DIN ISO EN 12956)
6	Fabric Weight	175 Grams/Sqm
7	Strap Material	Nylon & PP, 35 gsm
8	Cold Resistance	Stable at -35 d.c. for 45 hours (NABL test)
9	Hook & Loop Material	100% Nylon
10	Puncture Resistance	2030 N
11	Threads	Nylon 20 Number Garnet (Color : Black)
12	Reinforcement Material	UPVC (D: 3/4" , SCH 80)
13	Metal Buckle	Stainless Steel
14	Metal Buckle Specification	2" x 1" , Weight : 40 Grams
15	Product Colour	White ; 90% Transparent

PLEASE NOTE:

Cargowrap reusable pallet wraps should be tested by the end user to ensure suitability for each application.

Different types of Cargowraps may vary from these specifications so we can supply technical information once the final specifications have been tested and agreed.

The onus for establishing the suitability for the intended use of these reusable pallet wraps lies with the user and not with Cargowise Solutions Limited.
