

# Eviti Connect<sup>®</sup> for Autoimmune Diseases

Reimburse High-Quality, High-Value Care With Confidence

Providers don't want to delay patient care. Payers don't want to waste money on unwarranted, ineffective autoimmune care. Both want to improve clinical outcomes while ensuring healthcare dollars are spent wisely.

## EXPEDITING PATIENT CARE

NantHealth's Eviti Connect is a web-based healthcare payer solution that electronically connects health plans and practices for the authorization of treatment for autoimmune diseases. Eviti Connect:

- Reduces wasteful payer administrative time and spending by validating appropriate treatment plans at the point of care
- Reduces denials and appeals
- Expedites care for the patient

Health  
Utilization  
Management  
09/01/2025

THE PREVALENCE AND COST OF TREATING AUTOIMMUNE DISEASES IS ON THE RISE.

**24+ MILLION<sup>1</sup>**

people in the U.S. with  
an autoimmune disease

**\$52+ BILLION<sup>2</sup>**

expected annual  
US spend by 2027

1. Autoimmune Association (2021). 2. IQVIA Institute, The Use of Medicines in the U.S. 2023, April 2023.

## KEY BENEFITS

- Extend the knowledge of your team with independent expertise
- Streamline staff authorization workflow, allowing them to focus on more high-value tasks
- Manage brand, biosimilar and generic use for best pricing
- Ensure compliance with medical policy, pharmacy policy, and step therapy
- Drive providers to more cost-effective therapies with configurable drug preferences
- Redirect treatment delivery to optimal sites of care when clinically appropriate to reduce costs

**“My biggest priority is to get patients the right care and medications they need when they need it, without being delayed by appeals. Eviti can help both providers and payers collaborate in real-time, allowing specialists from both organizations to approve the most appropriate care up front.”**

– Practicing Rheumatologist

## KEY FEATURES

- Health plans provide the ability to create and submit an authorization electronically, minimizing treatment delays and ensuring cost-effective care and appropriate reimbursement.
- Health plans can integrate medical policies allowing providers insight into treatments that meet the plan's requirements for reimbursement.
- Real-time access to actionable information for the most commonly prescribed medications and the most prevalent autoimmune conditions.

**Eviti Connect is an intelligent treatment plan validation platform that gives providers and payers confidence to prescribe and reimburse high-quality, high-value care.**
