

Purchasing digital content in Naviextras Toolbox

Once you have connected your device to Naviextras Toolbox and logged in to your account, you can browse and download available map updates or purchase new maps and other contents. To download contents through Naviextras Toolbox, follow the steps below:

1. Click  on the left side of the Naviextras Toolbox window.
2. Browse the list of available map subscriptions

NOTE: Available contents depend on your region.

The screenshot shows the Naviextras Toolbox web interface. The browser address bar displays "Naviextras Toolbox - [https://www.ctest.naviextras.com/]". The interface includes a navigation menu on the left with buttons for Home, Shop, Device, Backup, Settings, and Extras. The main content area is titled "MAPS - World" and features a product card for "Map of Australia, New Zealand (with 4WD routing) - Map Update Subscriptions" priced at "44.95 USD". A "READ MORE" button is visible below the product card. On the right, there is a "MAPS & MORE" section with a "BROWSE" button and a list of categories: World, Asia Pacific and Oceania, Australia & New Zealand, Maps, and POIs. A notification box at the top right states: "Naviextras.com is in TEST mode now. You can buy updates with test credit card numbers, and you will get 1-week trial licenses and a test invoice." At the bottom, a disclaimer text reads: "Prices are established and payable either in EUR or USD. Prices available in other currencies are only indicative prices for information purposes. Prices for private person customers domiciled in the EU or Russia are inclusive of VAT. Prices for registered corporate customers domiciled in the EU or in Russia are exclusive of VAT. Prices for customers domiciled outside of the EU or Russia are exclusive of VAT. Prices always exclude local taxes, duties, custom fees and other applicable local governmental fees, if applicable customer is responsible for the payment of such applicable additional fees and duties to the relevant authorities. In case of physical products, prices are exclusive of delivery cost (e.g. shipping and handling charges) and such will be calculated during the checkout process and payable by customer."

3. Select the item that you would like to purchase and click **Read more**.
4. There may be more than one option available for purchase. Choose the option that fits your needs and click **Add to cart**.
5. The content of your shopping cart is displayed. Check that the correct items are in the cart and click **Checkout**.

6. The system prompts you again to verify your order. Click **Invoice address** to continue with the order or click **Back to cart** to go back to your shopping cart and modify its content.
7. Enter your invoice address and click **Payment**.
8. Wait until the payment page loads. Select your payment method and country.
9. Enter your credit card details and click **Submit**.
10. You are redirected to the screen where you can see the new packages available to install.

11. Click **Install** at the bottom of the screen to start the installation process.

After clicking on **Install**, you are prompted to make a backup.

NOTE: We strongly recommend to proceed with a backup before downloading and installing updates. You may decide to skip backup at your own risk.

After creating a backup, Naviextras Toolbox starts downloading and installing the selected updates. A double status bar shows the progress: the one on top shows the total ratio of the job already done, and the one at the bottom shows progress with the current file. Wait until you receive a message that the operation is completed.

The subscription will be also available on your device. You can update your maps over the air on your device until the end of the subscription period.

To update the maps go to the „Updates” menu, select the new subscription and proceed with the update steps.

At the end of the update process you can check the actual map version and the related license in the „About” menu:
