

OptiPrime Reflections™ UVIJ

OptiPrime Reflections™ UVIJ high gloss label paper resembles cast-coated grades with superior surface uniformity designed for all of your ultra-premium labeling applications. OptiPrime Reflections™ features a mirror gloss finish without varnishes, UV or aqueous coatings and is available in rolls with optional FSC® certification.

FEATURES AND BENEFITS

- Exceptional unmatched smoothness of the mirror gloss surface enables superior print performance
- Great opacity to achieve a high-end appearance
- Accepts unique printing applications such as embossing and die cutting
- Excellent print results with all conventional print methods including UV Inkjet applications*
- Well balanced strength properties for high-speed printing, converting and dispensing applications
- Bright blue-white shade
- Suitable for direct food contact
